2018 | DOME

AMERICAS CENTER ST. LOUIS • MAY 21-24, 2018

**For its 5th year the Inland Marine Expo (IMX) and The Waterways Journal will be accepting nominations for the IMX Achievement Award. This is a special honor for an accomplished industry veteran. Only one award will be presented this year!**

The goal of the award is to recognize individuals who have spent their career making significant contributions to the maritime industry by helping it to be the most cost-efficient, safe and environmentally friendly mode of transportation for many cargoes.

The winner, along with the person who nominated him or her, will receive free registration to the 2018 Inland Marine Expo on May 21-24 at the Dome @ America's Center in St. Louis, Mo., where they will also be invited to a special recognition ceremony.

The information you provide in the nomination along with a personal statement is the only information that IMX will be given to base their decisions upon. You may be contacted by someone representing IMX for follow-up questions.
