MIKE RUSHING LEGACY SERVICE AWARD

*"Everything he did, he did for someone else."*

Friday, May 29 • 12:15 – 2:00 pm

IMX 2026 concludes with an awards ceremony honoring both young leaders and a person who has already left a mark on the maritime industry. The session will begin with the IMX 40 Under 40 leadership awards, which recognize rising stars in the maritime industry. Whether you're working on a vessel or onshore, in sales or maintenance or construction, in economic development or for a government agency, together you make up an industry that's essential, vibrant and honorable. The 40 Under 40 award is our way of recognizing the young leaders who will shape the industry for years to come. In closing, the Mike Rushing Legacy Award, presented by TVIB, will honor an industry legend for their service, dedication and character.
